ScreenShot	 <p>It was an absolute pleasure to have Kiran Kamity, Founder & CEO and Dinesh Mistry, VP of Sales and Customer Excellence at DeepFactor to discuss about DeepFactor. We talked about their team's journey so far, how the platform is helping their global customers to develop secured Enterprise Apps and most importantly we had a great product walkthrough of the platform. Also wanted to thank Virginia</p>

ScreenShot	 The screenshot shows the Test Automation Forum (TAF) website. On the left is a vertical social media bar with icons for LinkedIn, WhatsApp, Twitter, and Facebook. Next to it is a logo of a lightbulb with circuit lines, labeled 'TAF' and 'TEST AUTOMATION FORUM'. The main content area is divided into three columns: 'Mission' (Enlighten the Software Quality professionals...), 'Vision' (To partner with QA professionals...), and 'Values' (Recognise industry best practices & guide the QA professionals...). At the bottom, there is an email subscription field, a 'CONNECT WITH US' section with the email 'info@testautomationforum.com', and a 'FOLLOW US' section with social media icons for LinkedIn, YouTube, Instagram, and Twitter.
